### **Patients' Bill of Rights**

Pursuant to New Hampshire RSA 151:21, the rights and responsibilities of each patient admitted to a facility, except those admitted by a home health care provider, shall include, as a minimum, the following:

- I. The patient shall be treated with consideration, respect, and full recognition of the patient's dignity and individuality, including privacy in treatment and personal care and including being informed of the name, licensure status, and staff position of all those with whom the patient has contact, pursuant to RSA 151:3-b.
- II. The patient shall be fully informed of a patient's rights and responsibilities and of all procedures governing patient conduct and responsibilities. This information must be provided orally and in writing before or at admission, except for emergency admissions. Receipt of the information must be acknowledged by the patient in writing. When a patient lacks the capacity to make informed judgments the signing must be by the person legally responsible for the patient.
- III. The patient shall be fully informed in writing in language that the patient can understand, before or at the time of admission and as necessary during the patient's stay, of the facility's basic per diem rate and of those services included and not included in the basic per diem rate. A statement of services that are not normally covered by Medicare or Medicaid shall also be included in this disclosure.
- IV. The patient shall be fully informed by a health care provider of his or her medical condition, health care needs, and diagnostic test results, including the manner by which such results will be provided and the expected time interval between testing and receiving results, unless medically inadvisable and so documented in the medical record, and shall be given the

- opportunity to participate in the planning of his or her total care and medical treatment, to refuse treatment, and to be involved in experimental research upon the patient's written consent only. For the purposes of this paragraph "health care provider" means any person, corporation, facility, or institution either licensed by this state or otherwise lawfully providing health care services, including, but not limited to, a physician, hospital or other health care facility, dentist, nurse, optometrist, podiatrist, physical therapist, or psychologist, and any officer, employee, or agent of such provider acting in the course and scope of employment or agency related to or supportive of health care services.
- V. The patient shall be transferred or discharged after appropriate discharge planning only for medical reasons, for the patient's welfare or that of other patients, if the facility ceases to operate, or for nonpayment for the patient's stay, except as prohibited by Title XVIII or XIX of the Social Security Act. No patient shall be involuntarily discharged from a facility because the patient becomes eligible for Medicaid as a source of payment.
  - VI. The patient shall be encouraged and assisted throughout the patient's stay to exercise the patient's rights as a patient and citizen. The patient may voice grievances and recommend changes in policies and services to facility staff or outside representatives free from restraint, interference, coercion, discrimination, or reprisal.
  - VII. The patient shall be permitted to manage the patient's personal financial affairs. If the patient authorizes the facility in writing to assist in this management and the facility so consents, the assistance shall be carried out in accordance with the patient's rights under this subdivision and in conformance with state law and rules.
  - VIII. The patient shall be free from emotional, psychological, sexual and physical abuse and from exploitation, neglect, corporal punishment and involuntary seclusion.
  - IX. The patient shall be free from chemical and physical restraints except when they are authorized in writing by a physician for a specific and limited time necessary to protect the patient or others from injury. In an emergency, restraints may be authorized by the designated professional staff member in order to protect the patient or others from injury. The staff member must promptly report such action to the physician and document same in the medical records.
  - X. The patient shall be ensured confidential treatment of all information contained in the patient's personal and clinical record, including that stored in an automatic data bank, and the patient's written consent shall be required for the release of information to anyone not otherwise authorized by law to receive it. Medical information contained in the medical records at any facility licensed under this chapter shall be deemed to be the property of the patient. The patient shall be entitled to a copy of such records upon request. The charge for the copying of a patient's medical records shall not exceed \$15 for the first 30 pages or \$.50 per page, whichever is greater; provided, that copies of filmed records such as radiograms, x-rays, and sonograms shall be copied at a reasonable cost.
  - XI. The patient shall not be required to perform services for the facility. Where appropriate for therapeutic or diversional purposes and agreed to by the patient, such services may be included in a plan of care and treatment.
  - XII. The patient shall be free to communicate with, associate with, and meet privately with anyone, including family and resident groups, unless to do so would infringe upon the rights of other patients. The patient may send and receive unopened personal mail. The patient has the right to have regular access to the unmonitored use of a telephone.
  - XIII. The patient shall be free to participate in activities of any social, religious, and community groups, unless to do so would infringe upon the rights of other patients.
  - XIV. The patient shall be free to retain and use personal clothing and possessions as space permits, provided it does not infringe on the rights of other patients.
  - XV. The patient shall be entitled to privacy for visits and, if married, to share a room with his or her spouse if both are patients in the same facility and where both patients consent, unless it is medically contraindicated and so documented by a physician. The patient has the right to reside and receive services in the facility with reasonable accommodation of individual needs

- and preferences, including choice of room and roommate, except when the health and safety of the individual or other patients would be endangered.
- XVI. The patient shall not be denied appropriate care on the basis of age, sex, gender identity, sexual orientation, race, color, marital status, familial status, disability, religion, national origin, source of income, source of payment, or profession.
  - XVII. The patient shall be entitled to be treated by the patient's physician of choice, subject to reasonable rules and regulations of the facility regarding the facility's credentialing process.
  - XVIII. The patient shall be entitled to have the patient's parents, if a minor, or spouse, or next of kin, unmarried partner, or a personal representative chosen by the patient, if an adult, visit the facility, without restriction, if the patient is considered terminally ill by the physician responsible for the patient's care.
  - XIX. The patient shall be entitled to receive representatives of approved organizations as provided in RSA 151:28.
  - XX. The patient shall not be denied admission to the facility based on Medicaid as a source of payment when there is an available space in the facility.
  - XXI. Subject to the terms and conditions of the patient's insurance plan, the patient shall have access to any provider in his or her insurance plan network and referral to a provider or facility within such network shall not be unreasonably withheld pursuant to RSA 420-J:8, XIV.

## UTAH NOTICE(S):

### Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that Your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o \$500,000 in death benefits
  - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
  - o \$500,000 in hospital, medical and surgical insurance benefits
  - o \$500,000 in long-term care insurance benefits
  - o \$500,000 in disability income insurance benefits
  - o \$500,000 in other types of health insurance benefits
- Annuities
  - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

**Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage You to purchase insurance. When selecting an insurance company, You should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.**

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.utlifega.org](http://www.utlifega.org) or contact:

- in the opinion of a Physician with knowledge of the Covered Person's medical condition, the Covered Person is subject to severe pain that cannot be adequately managed without the care or treatment that is the subject of the Grievance; or
- a Physician with knowledge of the Covered Person's medical condition determines that the Grievance shall be treated as an Expedited Grievance.

**Grievance** means any dissatisfaction with the claims practices or administration of the insurance provided under this Certificate that is expressed in Writing to Us by You or on Your behalf.

### **Grievance Procedure**

If a claim for insurance benefits is denied, We will notify You of Your right to file a Grievance. You can file a Grievance by Writing to MetLife at 700 Quaker Lane, 2nd Floor, Warwick, Rhode Island 02886, when We notify You of Your right to file a Grievance. You must do this within three years of the date Your claim is denied. Within five business days of Our receipt of Your Grievance, We will mail to You or Your authorized representative an acknowledgement confirming receipt.

### **Grievance Panel**

Once a Grievance has been filed, a Grievance Panel will promptly investigate the Grievance. The Grievance Panel will consist of at least one person with authority to take corrective action on the claim, and may include at least one person, other than You, who is insured by Us. Prior to the Grievance Panel making a final determination, You or Your authorized representative have the right to appear in person before the Grievance Panel and to present Written questions. At least seven calendar days prior to the Grievance Panel meeting, We will send You Written notification providing information as to the time and place of the meeting. After a decision has been made, a Written decision signed by one voting member of the Grievance Panel and a description of position titles of panel members involved in making the decision will be mailed to You.

### **Grievance Panel Decision Notification**

For Grievances that are subject to ERISA, the decision of the Grievance Panel will be mailed to You within a reasonable period of time, no later than 60 days after the date on which We received the Grievance. However, if We determine that special circumstances require an extension of time for processing the Grievance, Written notice of such extension will be mailed to You within 60 days after the date on which We received the Grievance. The notice will explain the special circumstances requiring the extension, and the date by which We expect the Grievance Panel to reach a decision regarding the Grievance. In no event shall such an extension end later than 120 days from the date on which We received the Grievance.

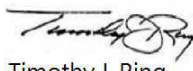

For Grievances that are not subject to ERISA, the decision of the Grievance Panel will be mailed to You no later than 30 calendar days after the date We receive the Grievance. However, if the Grievance Panel is unable to resolve the Grievance within 30 days of the date We received the Grievance, the time to resolve the Grievance may be extended by Us for an additional 30 calendar days if We provide Written notice to You or, if applicable, Your authorized representative, of all of the following:

- that the Grievance Panel has not resolved the Grievance;
- when resolution of the Grievance may be expected; and
- the reason additional time is needed.

### **Expedited Grievance Resolution**

If Your Grievance qualifies as an Expedited Grievance, You can file the Expedited Grievance by calling a number We will give You when We notify You of Your right to file a Grievance. - If Your employment ends for any reason other than a Plant Closing or a Partial Plant Closing, Your insurance will end 31 days after the date Your employment ends. However, if during such 31 day period You become entitled to benefits under another policy that are similar to the benefits provided under this Certificate, insurance under this Certificate will end on the date You become entitled to such other benefits.

However, if during such 90 day period, You become entitled to benefits under another policy that are similar to the benefits provided under this Certificate insurance under this Certificate will end on the date You become entitled to such other benefits.

## **WHEN INSURANCE ENDS (Continued)**

### **CHANGE IN CLASS**

If there is more than one class eligible for insurance under the Group Policy, and each class has its own certificate, instead of receiving a new certificate when You move between classes, You will remain insured under this Certificate if:

- You move to a class that is eligible for Hospital Indemnity Insurance under the Group Policy; and
- the benefits available to Your new class are identical to the benefits available under this Certificate.

In all other cases when You move between classes, Your insurance under this Certificate will end on the date You are no longer a member of the class eligible for insurance under this Certificate.

## CONTINUATION OF INSURANCE

### AT YOUR OPTION: CONTINUATION WITH PREMIUM PAYMENT

If Your insurance ends under the Date Your Insurance Ends provision of this Certificate, in certain situations, it may be continued for You and Your Dependents, as described in this provision. This is referred to in this provision as "Continued Insurance". Evidence of insurability will not be required to obtain Continued Insurance. For purposes of this provision, insurance in effect under the Group Policy for which the Group Policyholder remits premium is referred to in this provision as "Group Billed Insurance".

Except as described below, Continued Insurance is subject to all of the conditions, maximums, limitations, exclusions and Proof requirements contained in the provisions of this Certificate.

#### Requirements for Continued Insurance

Continued Insurance will be available to You if:

- Your Group Billed Insurance ends for any reason other than:
  - non-payment of premium or Contribution; or
  - the end of the Group Policy, provided that Continued Insurance will be available to You if You do not become eligible, within 30 days after the end of the Group Policy, for hospital indemnity insurance under another policy of group insurance available through the Group Policyholder;
- We receive Your completed Written request for Continued Insurance on a form approved by Us within 31 calendar days after Your Group Billed Insurance ends; and
- You pay premiums required for Continued Insurance by the due date specified in the premium notice sent to You.

#### Changes in Continued Insurance

You may elect to decrease Your insurance after the date that Continued Insurance goes into effect for You if a lower benefit option is available. In addition, You may end insurance for any or all of Your Dependents. Please contact Us for information. You may not increase insurance once Continued Insurance goes into effect.

#### Contributions for Continued Insurance

The Contribution that You must pay for Continued Insurance is the amount of Your Contribution for Your Group Billed Insurance before it ended, plus any amount of premium that the Group Policyholder paid. The Contribution that You must pay for Continued Insurance will be determined on the same basis as premium rates charged for Group Billed Insurance. We have the right to change premium rates in accordance with the terms set forth in the Group Policy. All payments for Continued Insurance must be made directly to Us by the due date specified in the premium notice We send to You.

## **CONTINUATION OF INSURANCE (Continued)**

Except as stated in the Date Dependent Insurance Ends provision of the When Insurance Ends section of this Certificate, insurance will continue while such Dependent Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap;
- remains chiefly dependent on You for support and maintenance; and
- continues to qualify as a Dependent Child, except for the age limit.

### **FOR FAMILY AND MEDICAL LEAVE**
