

# Moving from Financial Insecurity to Financial Wellness

## Course Overview:

- Creating the best financial wellness program for your employees
- Building a financial wellness program that works
- Financial insecurity has become an epidemic
- Why it matters to employers

This continuing education course has been developed to provide a practical roadmap to implement or improve a financial wellness program. We put a human face on financial wellness, focusing on employee concerns and what financial wellness looks like. By leveraging video clips of employee interviews and quotes throughout the presentation, the information provided is more “real world” and less theoretical, grounded in inspired strategies.
