

## **METLIFE NAMED TO TOP 50 CORPORATION FOR INCLUSION**

Out of two million members of Omnikal (formerly DiversityBusiness), MetLife, Inc. has been selected as one of America's Top 50 Organizations for Inclusive Majority Business Opportunities. This award recognizes MetLife's commitment to inclusion throughout the nation's business community and in receiving this prestigious Omni50 award, acknowledges the corporation's contributions to this growing economic sector.

Over 2,000,000 businesses participated in an online election to determine the 17th annual Top 50 (Omni50). The Omni50 list is made up of highly respected organizations which have differentiated themselves in the global marketplace; particularly in this era where inclusion has been imperative for the brand's success. The Omni50 Award winner list is an indicator of which organizations provide the best and the most business awarded to inclusive majority-owned companies. This, in turn, attracts more corporations, as they compete for market share in multicultural communities and an increasingly varied global and national population.

Arnold Sowa, senior vice president and Chief Executive Officer and members of the MetLife Supplier Diversity team will attend the 17th Annual National Business Summit on May 18, 2017, at the Harvard Club in New York City.
