Eligible General Agents

All General Agents are eligible.^{2,3,4}

Plan Summary

A General Agent may qualify for New Business Recognition Compensation based on one or more of the following criteria:

New Business (New Business Premium and/or New Business Coverage Groupings) with effective dates between 7/1/2020 through 12/15/2020 (the “Qualification Period”)

How it Works	Compensation Amount ⁵				
New Business Recognition Qualification	<table border="0"> <tr> <td data-bbox="505 947 899 978">60 New Business Coverage Groupings</td> <td data-bbox="1279 957 1377 989">\$ 5,000</td> </tr> <tr> <td data-bbox="505 1003 1029 1062">\$1,000,000 or More of New Business Premium AND 30 New Business Coverage Groupings</td> <td data-bbox="1279 1031 1377 1062">\$ 10,000</td> </tr> </table>	60 New Business Coverage Groupings	\$ 5,000	\$1,000,000 or More of New Business Premium AND 30 New Business Coverage Groupings	\$ 10,000
60 New Business Coverage Groupings	\$ 5,000				
\$1,000,000 or More of New Business Premium AND 30 New Business Coverage Groupings	\$ 10,000				

- By accepting any payment under the 2020 New Business Recognition Compensation Plan, the General Agent attests that it is an independent contractor (as such term is defined in Treasury Regulation Section 1.409A-1(f)(2)) with respect to MetLife, and acknowledges that it is solely responsible for payment of all taxes related to any payment from the 2020 New Business Recognition Compensation Plan. The General Agent also releases (to the extent permitted by law) MetLife from any and all responsibility for payment of any and all taxes related to any payment from the 2020 New Business Recognition Compensation Plan, including, if applicable, any interest or penalties that may be imposed under statutes, regulations, orders, or rulings governing the taxation of deferred compensation, including but not limited to Section 409A of the Internal Revenue Code.
- MetLife may in its discretion aggregate affiliated Tax ID's for qualification while applying payment to the individual Tax ID's, if requested to do so by the General Agent. A request to aggregate must be submitted no later than October 1, 2019. After this date, MetLife may in its discretion consider requests to aggregate Tax ID's if a merger or acquisition occurs among firms before September 30, 2020, or under other circumstances that MetLife deems appropriate due to activity that occurred during the Qualification Period.
- If the General Agent of Record is merged with another general agent, or otherwise legally consolidates multiple Tax IDs, and submits both written notice of the transaction and a general agent change request to MetLife by October 1, 2020, MetLife will combine the inforce premium as of October 1, 2019 to redetermine which of the 2020 Supplemental Compensation Programs the consolidated entity will qualify under. If notice of the transaction and broker change request is submitted after October 1, 2020, but no later than December 1, 2020, the qualification tier for the consolidated entity will be that of the acquiring general agent prior to the transaction.
- If two or more firms merge prior to the qualification period and this results in an increase of 50% or more of the acquiring firm's inforce block of business with MetLife, MetLife reserves the right to remove the combined firms from the 2020 SCP program.
- Compensation amounts shown are not cumulative. For example, a General Agent who has \$1,000,000 of New Business Premium can qualify for \$10,000 in New Business Recognition Compensation.

Guidelines (continued)

Qualification Guidelines

ASO/Participating (“PAR”)

For ASO and PAR customers/coverages, MetLife will apply the full ASO fee or the PAR premium amount towards qualification.

General Agent of Record

The General Agent of Record on the effective date of qualifying new business sold during the Qualification Period will receive qualification credit for New Business Premium and New Business Coverage Grouping counts; there is no prorating of the qualification credit. A customer’s coverage must be in force at the end of the Qualification Period in order to be counted towards qualification for New Business.

General Agent splitting/deal %

If two or more General Agents split override, only the New Business Premium will be apportioned. The apportionment will be the same as the General Agent override compensation apportionment. Each of the recognized General Agents splitting the compensation will receive full credit for the number of the customer’s New Business Coverage Grouping(s) sold during the Qualification Period.⁹

New Business Coverage Grouping count

New Business Coverage Grouping counts are determined at the customer number level. For a given customer number, a General Agent will receive a single New Business Coverage Grouping count for each new New Business Coverage Grouping.

Opting out

All premium on qualifying business is counted for qualification purposes. However, if a customer chooses to Opt-out of the New Business Recognition Compensation Plan, no New Business Recognition Compensation will be paid in relation to that customer’s premium.

Payment Guidelines

Advances

No New Business Recognition Compensation payments shall be made in advance of when they are due under the New Business Recognition Compensation Plan.

ASO / PAR customers

ASO fees and PAR premium are reduced to 25% of the actual ASO fees and PAR premium prior to applying the applicable New Business Recognition Compensation percentage.

General Agent Eligibility

MetLife reserves the right to remove a case for qualification and payment purposes, where MetLife finds the entity serves also as a broker. A General Agent is only eligible for New Business Recognition Compensation. A General Agent cannot be eligible for both Broker and General Agent New Business Recognition Compensation.

General Agent of Record

New Business Recognition Compensation shall be earned by the General Agent of Record only so long as the premium is deemed to be Received and Earned Premium, and provided MetLife continues to recognize the General Agent as the General Agent of Record for the Bill Dates during the Qualification Period.

Customer authorization

MetLife reserves the right to obtain written customer authorization before making any New Business Recognition Compensation payment.

Overpayments

The General Agent shall immediately return any overpayment of New Business Recognition Compensation. Any New Business Recognition Compensation paid to a General Agent that is not earned by the General Agent shall be immediately returned and MetLife reserves the right to offset any funds payable by a General Agent against any funds payable to the General Agent. By cashing any check or otherwise accepting any payment, including any New Business Recognition Compensation payment, the General Agent thereby agrees that MetLife may offset any funds payable to the General Agent in order to recover an overpayment or any other funds payable by the General Agent.

Primary payee

In instances where multiple payee codes exist for a single Tax ID, MetLife will require a duly authorized representative of the General Agent to designate in writing a primary payee. When a primary payee is designated, it will remain in effect until MetLife receives and approves a written change request.

9. MetLife may in its discretion allow the apportionment of the New Business Recognition Compensation to be different than the apportionment of base compensation, if requested to do so by the General Agent.
