

Maximize your clients' benefits program

Balancing cost concerns with employee needs can be hard for a small business. MetLife's broad range of products and plan designs give you the options you need to recommend the right mix of solutions at the right price for each client. And, with MetLife's Multi-Product Advantage, you also earn additional compensation.

How it Works

STEP 1: Sell a dental plan and at least two new coverages from two or more of the different product groups.

First: Sell a dental plan...

Dental • Voluntary Dental • DHMO

Then: Add two or more new coverages from at least two of the following product groups...

Term Life	Basic Life
Voluntary Life	Optional Life
Short Term Disability	Short Term Disability • Voluntary Short Term Disability State Disability Plans (NJ, NY, HI, CA, PR)
Long Term Disability	Long Term Disability • Voluntary Long Term Disability
Vision	Vision

STEP 2: Verify qualifying criteria and ensure each case has:

- Dental coverage
- 10-99 eligible lives
- 10 or more lives enrolled in each product
- All coverages sold and implemented at the same time

STEP 3: Earn an additional one-time payment of 1.5% of the annualized premium for each product sold.¹

(see compensation example on the next page)

The Resulting Advantage

1. Your client receives the right mix of benefits to maximize their offering and meet their needs
2. You deliver a guaranteed 6% rate cap on the dental plan upon renewal for a second year²
3. You earn additional compensation
