

Solutions tailored to your small business

We've got you covered

As a small business owner, your needs are unique. Finding the right life insurance solution for you and your employees doesn't have to be a challenge.

When it comes to designing a life insurance offering that can help you balance costs and meet your employees' needs, we are committed to helping you succeed.

The right options. Maximum value.

With our suite of group life products tailored to small businesses, you can choose from a range of flexible options that work for you — and your employees.

Term Life options to choose from

- **Basic** provides financial protection for your employees' family or beneficiaries, who can receive benefits in flat dollar amounts or as a multiple of your employee's pay.
- **Supplemental** gives employees the option to buy additional coverage to support their families' needs.
- **Dependent:** offers the dependents of your employees the opportunity to extend coverage to spouses, domestic partners and eligible children.

Accidental Death & Dismemberment (AD&D)

Additional benefits payable for losses (life, speech, hearing, sight) resulting from an accident — these can be employer-paid, employee-paid, or both.

Professional, dedicated support from start to finish — so you can concentrate on your business

We understand that you want to spend your time focusing on your business. From set up through enrollment and ongoing service, experienced professionals will be there to ensure it's easy and seamless for you.

- A dedicated account team to collaborate with you locally and understand your unique needs
- A single eligibility file with flexible information exchange
- Access to online information and data for benefits management through MetLink
