**Learn more about the SpotLite program**

Visit metlife.com/spotlite

### The SpotLite difference

**20% more**
preventive care services delivered[3]

**45% less**
restorative treatment procedures needed[3]

**50% less**
major restorative care procedures needed[3]

Like most group benefits programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, waiting periods, reductions, limitations and terms for keeping them in force. You may be financially responsible for copayments, deductibles, or any other amounts in excess of those MetLife is required to pay for covered services as described in your dental certificate and/or policy. Ask your MetLife representative for costs and complete details.

[1] MetLife's SpotLite on Oral Health® is a special designation intended to identify certain PDP providers who have demonstrated a focus on improved health outcomes and have met qualifying criteria. This designation may be used by plan participants to find providers that better align with their healthcare needs. MetLife is not endorsing or otherwise recommending the use of a particular PDP provider.

[2] Average cost per member is calculated as total benefits paid divided by total number of unique patients at the provider level when compared to other generalists and pediatrics in or out of the MetLife Dental network.
