Accidental Death & Dismemberment (AD&D) coverage can complement your Basic and Optional Life insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage Options

This valuable coverage benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips. MetLife’s AD&D insurance pays you benefits if you suffer a covered accident that results in the loss of a limb, or sight. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Optional AD&D Coverage Amounts for You

You have 2 choices:

- Your Optional AD&D amount is equal to your Basic Term Life amount or
- Your Optional AD&D amount can be combined with your Basic Term Life and Optional Term Life to a total maximum of 5 times the Basic Life amount or $3,000,000

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the “Full Amount” and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount and will be listed in your coverage in a table of Covered Losses. Such losses include loss of limbs, or sight. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount.

What Is Not Covered by AD&D?

AD&D insurance does not include payment for any loss which is caused by or contributed to by: physical or mental illness, diagnosis of or treatment of the illness; an infection, unless caused by an external wound accidentally sustained or from food poisoning; suicide or attempted suicide; injuring oneself on purpose; the voluntary intake or use by any means of any drug, medication or sedative, unless taken as prescribed by a doctor or an over-the-counter drug taken as directed; voluntary intake of alcohol in combination with any drug, medication or sedative; war, whether declared or undeclared, or act of war, insurrection, rebellion or active participation in a riot;

• Powers of attorney allow you to plan ahead by designating someone you know and trust to act on your behalf in the event of unexpected occurrences or if you become incapacitated.

Call 1-800-821-6400 and a Client Service Representative will assist you.

* You also have the flexibility of using an attorney who is not participating in the MetLife Legal Plans, Inc. network and being reimbursed for covered services according to a set fee schedule. In that case you will be responsible for any attorney’s fees that exceed the reimbursed amount.
