Directory of Participating Providers

California

SafeGuard Directory of Participating Vision Care Providers

This directory contains the names and locations of the vision care providers who provide care to SafeGuard members. The directory lists vision care providers alphabetically by the city where they are located. Each one has been pre-screened and thoroughly evaluated prior to their being accepted into our program. You can be assured that any office you choose will provide excellent care and service.

For the most current information...

We update our directory information frequently – you will find the most current listing on our website at www.safeguard.net by clicking on “Dental & Vision Directories”.

Before you enroll...

If you are enrolling for the first time or changing your plan

- Choose “Visitor”, and then select “Vision HMO” and state
- You will be able to search by city, county, zip code, or by a particular dentist’s name

After you enroll...

- Type in your Family ID number, Group ID number, or social security number (Family and Group ID numbers are provided on your ID card)
- Select your plan and state
- You will be able to search by city, county, zip code, or by a particular dentist’s name

The hours of operation listed in this directory are subject to change without notice, please contact the provider office directly for the most updated information.

Visit our website at www.metlife.com for the most up-to-date listings.

This directory contains the names of participating providers as of 02/16/21. You should always advise your provider that you are eligible for this program and verify when you schedule your appointment that he or she still participates in the network.

MetLife's goal is to establish consistency in the selection and retention of providers in its networks. The decision to accept or retain a provider is based on all available information, including, but not limited to, information contained on the application and obtained through re-evaluation processes, such as licensure, malpractice or sanctions history, and other relevant information.

The information contained in this provider directory is supplied by the individual provider and is subject to regular audits by MetLife.

The provider information contained in this directory is reviewed and updated on a continual basis, and therefore is accurate as of the date of this printing. For the most updated information regarding our providers, please visit the Find A Vision Provider feature at www.metlife.com or call 1-800-880-1800.

As an enrollee you have a right language assistance services at no cost to you, including interpretation and translation services. We collect and maintain your language preferences, race, and ethnicity so that we can communicate more effectively with our enrollees. If you require language assistance or would like to inform us of your preferred language, please contact us at 1-800-880-1800.

To report inaccuracies with the provider information contained in this directory, contact us by:

- Calling 1-800-880-1800
- Emailing Provider_Validation@metlife.com

Timely Access to Care: All eye doctors must provide information on how to obtain emergency services 24 hours a day, 7 days a week. Eye care providers cannot discriminate against the hearing impaired, developmentally challenged, and/or physically challenged.

You may submit a complaint if you feel you have relied upon materially inaccurate, incomplete, or misleading information contained in this directory. You may file your complaint by visiting us online, contacting customer service, or submitting your complaint in writing; please see your plan documents for further details on how to file a complaint.

MetLife would like to remind you that you are also entitled to full and equal access to covered services, including enrollees with disabilities as required under the federal American with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.
