

Why are Life and Accidental Death & Dismemberment Insurance important?

Your employer—through the School Employees Benefits Board (SEBB) Program—offers ways for you to protect your family and finances if something were to happen to you. For many people, these coverages help ensure that if the unforeseen should happen, your family could meet their short and long-term financial obligations. If you have a spouse, state-registered domestic partner, and/or children, they may rely on you to help keep the household running. It's important to take steps to make sure your family would be financially prepared to handle expenses like:

- Mortgage or rent payments
- Insurance premiums
- Transportation
- Utilities
- Child care/education fees
- Credit card bills

Accidental Death and Dismemberment benefits (AD&D) can provide financial security should a sudden accident take your life or cause you serious loss or harm. This coverage complements your life insurance coverage and helps protect you 24 hours a day, 365 days a year.

It's important to review your life insurance needs periodically to ensure that your family is protected.

Q. I already have Basic Life and AD&D Insurance through my employer. Why get more?

A. While having basic life insurance provided by your employer is a great benefit, it's possible it may not be enough to adequately provide for your family. Supplemental life and AD&D insurance can give your family greater financial security.

Q. How much Life Insurance do I need?

A. Everyone is different, but you probably need more than you have now. You should keep in mind that insurance needs change as your life changes—for example, getting married, starting a family, or purchasing a home might change the coverage you need. Many people are surprised to learn that they don't have enough life insurance to cover the many expenses their loved ones may face. We've made it very simple for you to determine the amount of coverage that might be right for you. Go to www.metlifeeasier.net and click on the appropriate tab for the life insurance calculator to find your answer in minutes.

Q. How much does Supplemental Life and AD&D Insurance cost?

A. It may be less expensive than you think. MetLife has designed the supplemental life and AD&D insurance plans to be an economical way for you to provide for your family. You'll enjoy competitive group rates, with a wide range of coverage options to choose from. Exact rates can be found in the enrollment materials provided by the SEBB Program and at hca.wa.gov/employee-retiree-benefits/school-employees/life-insurance.

Q. How do I pay for my Supplemental Life and AD&D Insurance?

A. Premiums are paid through various billing methods and depends on the billing method assigned to your employer. Please contact your employer for more information.

Q. How are claims paid?

A. A claim needs to be filed with the life insurance company upon the death of the insured. Proceeds are paid to your beneficiary through a tax-free death benefit.

Q. When can I enroll in Supplemental Life and AD&D Insurance?

A. Employees may enroll in the guaranteed issue amounts of supplemental life insurance without submitting evidence of insurability to MetLife during the first annual open enrollment or no later than:

- 31 days after the date the employee becomes eligible for SEBB Program benefits.
- 60 days after the date of marriage or state-registered domestic partnership registration.
- 60 days after the birth or adoption of a child, once the child is 14 days old (each succeeding child will automatically be covered for the same amount on the date that child becomes eligible).

If you apply for or change your employee or spouse or state-registered domestic partner or dependent supplemental life insurance coverage amounts outside of the deadlines mentioned above, you must provide evidence of insurability to MetLife for approval, regardless of the coverage amount requested.
