

Why vision insurance makes sense

See well. Stay healthy. Save more.

Vision insurance for healthy savings — with MetLife Vision, you could enjoy discounts on eyewear and services. You also get support to live healthier. Through an exam, eye doctors are often the first to detect signs of serious health problems.¹

A big network means...

- You save on exams, glasses, contact lenses, laser vision correction and more.²
- There are no out-of-pocket costs on polycarbonate (shatter-resistant) lenses for children up to age 19 or for ultraviolet (UV) coating when you visit an in-network provider.³
- Take advantage of fixed copays for scratch-resistant and anti-reflective coatings, progressive lenses and more when you visit an in-network provider.³
- The plan is easy to use. When you go to a participating vision specialist there are no claims to file. You don't even need an ID card.

A big network means more options...

With MetLife Vision you can choose from thousands of network ophthalmologists, optometrists and opticians at private practices or at popular retail locations like Costco Optical, Walmart Vision Centers, Sam's Club Optical Centers, America's Best, Cohen's Fashion Optical, For Eyes Optical, Pearle Vision⁴ and more.

Get the style you want.

- Choose from classic styles to the latest designer frames — and select what's right for you and your budget.
- Some of the great brands to choose from include Anne Klein, bebe®, Calvin Klein, Flexon, Lacoste, Nike, Nine West and more.
