

MetLife, Inc. Political Activity

MetLife, Inc. (together with its affiliates, “MetLife” or the “Company”) believes that its participation in the political process is an important and essential means of achieving its goals of enhancing shareholder value and of providing people with the financial and insurance products and services they need through various life stages and economic cycles. Legislative and regulatory initiatives and priorities at the United States federal and state levels, including appropriate regulation of the financial and insurance industries, have a profound impact on MetLife and its businesses’ ability to achieve these goals.

MetLife participates in the political process by helping to elect candidates whose views on important issues are good for the nation as well as MetLife and its businesses. MetLife also engages with policymakers on a wide range of public policy matters to advance the issues of importance to its shareholders and policyholders. MetLife participates in the political process through a variety of means, including several political action committees (“PACs”) and, where permissible, limited direct corporate political contributions to state candidates, committees or ballot issues.

MetLife maintains appropriate policies and procedures and ensures that its political activities are conducted in accordance with all applicable laws governing political contributions and lobbying activities. MetLife solicits contributions to the MetLife PACs only from associates who are eligible to participate under the terms of the PAC and applicable law. Contributions to MetLife PACs are voluntary; MetLife does not favor or disfavor associates on the basis of their participation. Senior management reviews and approves decisions regarding all corporate political contributions, including in-kind contributions, pursuant to the Company’s policy. The Governance and Corporate Responsibility Committee of the MetLife, Inc. Board of Directors reviews MetLife’s goals and strategies concerning legislative and regulatory initiatives that impact the interests of the Company. The Committee also receives and reviews MetLife’s annual Political Activity Report, which describes the Company’s political contributions.

This report describes MetLife PACs’ political contributions, the portion of MetLife’s annual payments to trade associations and other tax exempt organizations allocated to lobbying activities (where the total annual payments to such association or organization exceeded \$50,000), and MetLife’s contributions to political candidates or committees.

MetLife's Political Participation Program

MetLife's political participation program supports candidates for federal, state and local offices. The program currently consists of four separate PACs:

- MetLife, Inc. Employees' Political Participation Fund A ("Fund A");
- MetLife, Inc. Employees' Political Participation Fund A-Federal Only ("Fund A - Federal Only");
- Metropolitan Life Insurance Company Political Fund B ("Fund B"); and
- Metropolitan Life Insurance Company Political Fund C ("Fund C").

Fund A contributes to candidates for federal and state offices and local offices in certain states, and to committees supporting such candidates. Fund A-Federal Only is used exclusively to support federal candidates. Funds B and C contribute to candidates for state and local offices and committees supporting such candidates as follows:

- Fund B - New York only
- Fund C - Delaware, Georgia, Illinois, Maryland, and Virginia

A fifth PAC, the Metropolitan Life Insurance Company Employees' Political Fund D ("Fund D"), which supported state candidates and committees in New Jersey and Rhode Island, was terminated in the first quarter of 2016. This report includes the final contributions from Fund D.

Each MetLife PAC is governed by a steering committee comprised of representatives from various lines of business in MetLife. Each committee reviews and approves the budget, and provides oversight to ensure that each PAC operates in a manner consistent with its purpose and objectives. The officers of each PAC administer the funds and ensure that each PAC complies with applicable laws and requirements.
