GLOSSARY

“**Affiliate**” means any person or other entity that directly, or indirectly through one or more intermediaries, **controls**, or is controlled by, or is under common **control** with, such entity.

“**Control**” means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

“**Derivative Instrument**” means any derivative or synthetic arrangement having the characteristics of a long position in any class or series of shares of the Company, or any contract, derivative, swap or other transaction or series of transactions designed to produce economic benefits and risks that correspond substantially to the ownership of any class or series of shares of the Company, including due to the fact that the value of such contract, derivative, swap or other transaction or series of transactions is determined by reference to the price, value or volatility of any class or series of shares of the Company, whether or not such instrument, contract or right shall be subject to settlement in the underlying class or series of shares of the Company, through the delivery of cash or other property, or otherwise, and without regard of whether any of the **Holders** may have entered into transactions that hedge or mitigate the economic effect of such instrument, contract or right.

“**Holder**” means each stockholder, including members of such stockholder’s immediate family sharing the same household, submitting a nomination or proposal, or any beneficial owner on whose behalf such nomination or proposal is made, and any of their respective **affiliates** or associates or others acting in concert therewith.

“**Options**” means any options, warrant, convertible security, stock appreciation right, or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to any class or series of shares of the Company or with a value derived in whole or in part from the value of any class or series of shares of the Company.

“**Short Interests**” means any agreement, arrangement, understanding, relationship or otherwise, including any repurchase or similar so-called “stock borrowing” agreement or arrangement, engaged in, directly or indirectly, by any of the **Holders**, the purpose or effect of which is to mitigate loss to, reduce the economic risk (of ownership or otherwise) of any class or series of the shares of the Company for the benefit of, manage the risk of share price changes for, or increase or decrease the voting power of, any of the **Holders** with respect to any class or series of the shares of the Company, or which provides any of the **Holders**, directly or indirectly, the opportunity to profit or share in any profit derived from any decrease in the price or value of any class or series of the shares of the Company.
